

A high-angle, blurred photograph of a crowd of people walking on a light-colored tiled floor. The people are out of focus, creating a sense of motion and a busy environment. The overall color palette is light and airy, with the text and logo providing the primary visual elements.

INTEGRATION

Multiple job boards available.

Integration with several new job boards

CVWarehouse integrates with several external job boards (channels). New channels are regularly added to the list of external job boards you can publish your vacancies to via CVWarehouse (provided you have a contract with those job boards).

CVWarehouse will not charge you to post a vacancy through on an external job board. Payments to post with external job boards lie directly with your company and the external job board.

It is possible that CVWarehouse charges a one-time fee to integrate and implement the functionalities of an external job board on your database, depending on the CVWarehouse licensing formula your company is subscribed to. For more information on this, please contact our support team.
